

AP English Summer Reading:

*How to Read Literature Like a Professor* by Thomas C. Foster

*Brave New World* by Alduous Huxley

- ❖ For *Brave New World*, you need to keep a journal with important terms from the book and their meanings. (**see attachments** ) Also, you need to keep track of meaningful quotes as you read because you will have to bring them into essays and discussions when you come back. You can mark them or highlight these significant quotes in your book and transfer them into your journal when you finish reading. I would like no less than 15 significant quotes written in their entirety in your journal.
  
- ❖ For *How to Read Literature Like a Professor*, highlight important passages and take helpful notes as you will be required throughout this course to analyze literature in similar ways.
