Our Mission

Merrol Hyde Magnet School is a Paideia academic magnet school with an emphasis in foreign language. Rigor and challenge at an accelerated pace are expected and embedded in our curriculum.

Our Vision

Merrol Hyde Magnet School is *Committed to Excellence* in K-12, college preparatory education by utilizing the Paideia philosophy of educating the whole child—body, mind, and spirit—while encouraging a life-long love of learning.
Welcome to Merrol Hyde Magnet School

The information, policies, and procedures that follow are for both parents and students. They are designed with only one thing in mind: student success. Policies and rules, whether Sumner County Board policy, or local expectations, are centered around helping every student maximize his or her academic, emotional, social, artistic, and athletic potential. All children need clearly defined expectations in order to succeed in school and beyond. Not everyone may agree with the policies and rules; however, all students and parents are expected to follow this handbook. It is also expected that parents and students will take the time to review the following information and ask the principal for any clarification before an issue arises.

Merrol Hyde Magnet is a choice school where children can grow from kindergarten until they are ready for college. Our objective is to teach concentrated academic skills while helping students develop responsible behavior and effective decision-making skills.

A special word for parents: Parents are members of the team required to make your child’s school experience a success. Parents are invited to help as school volunteers, join the PTO, the ABC, accompany classes on certain field trips, serve as grade representatives, or to help with events at MHMS. Your help at home, providing a quiet place to work, listening to your child tell about the school day, and providing the stable home life your child needs, goes a long way toward ensuring success at school.

We look forward to a close relationship with you and your child. Please familiarize yourself with this handbook, as it is intended to help you get to know the school and how it works. Communicate with your child’s teachers if you have any questions regarding school procedures or your child’s progress. If we can help you in any way, please let us know.

1. No child should arrive at school before 7:00 A.M.
2. Doors open and student supervision begins at 7:00 A.M.
3. Students should not arrive at the classroom before the teacher. Students must wait in their designated area if the teacher is not in the room.

AFTER SCHOOL--For the safety and security of our students and staff, the following rules are in effect for the school year:
1. All students will be dismissed at 3:00 P.M. from designated areas. Students are not allowed to leave campus from other locations.
2. Please remain in your vehicle. Do not get out of your car and walk up to the car rider group. Please stay in line and the students will come to you. All vehicles picking up K-5 students should have the students name clearly labeled on the passenger side visor.
3. Students who drive must exit the campus by 3:20 unless they are participating in a school sponsored and supervised club, activity, or sport.

4. **All students must be picked up by 3:30** unless participating in an after school sport or supervised activity or enrolled in Unity.com. A more detailed explanation of arrival and dismissal procedures will be distributed at registration.

**VISITORS**

Parents and visitors are welcome to visit the school at any time. In order to protect instructional time in our classrooms, and in the interest of safety, parents may be asked to schedule an appointment to visit the school for certain reasons. The Sumner County Board of Education policy on visitors to a school states: “All visitors will report to the school office when entering and receive authorization and a visitor’s badge for your visit elsewhere in the building.” Please do not park in the numbered parking spaces; these spaces are assigned to faculty and students. Visitor spaces are located on the front row next to the handicap parking. **Visitors must refrain from all cell phone use during school instructional hours.**

**GENERAL RULES**

At Merrol Hyde, we expect everyone, starting with the Principal, to follow a strict code of conduct. There are three simple tenets which our discipline policy follows:

**BE SAFE**

**BE RESPECTFUL**

**BE RESPONSIBLE**

Our goal is for students to receive the maximum benefits from each school day. These rules apply to all students:

1. Every student in school will follow the instructions of all teachers and assistants at all times.
2. All adult school staff members will be addressed as Mr., Mrs., Ms., or Miss.
3. Students should not bring any items that are dangerous or appear dangerous. (Please refer to Sumner County Board policy JCBF.)
4. There will be no fighting of any nature at school. This includes verbal altercations and/or threats. Students will seek out adults to help resolve conflicts before disagreements escalate to physical or emotional damage.
5. Students may not trade, sell, or purchase items from other students at school. (The school will not be held responsible if this rule is broken.)
6. No student will leave school without proper office check out.
7. There will be no loitering or playing in the restrooms, parking lots, or school grounds. All students must stay in assigned areas.
8. There will be designated parking for most student drivers once the registration for parking has been completed. Vehicles are subject to search while on school property.
9. K-5 students should **not** bring cell phones to school. Middle and high school students will receive a separate cell phone policy upon registration each year.
GYM AND PLAYGROUND RULES
1. Elementary students must wear tennis shoes each day to school.
2. If you have an illness/injury and cannot participate in P. E. class, please send a note signed by a
   parent or doctor (One parent note per six weeks).
3. All playground equipment should be used as intended. The classroom teacher will determine this.
   Any child who may not play on the equipment for any reason must have a note from the parent.
4. Gym shirts for grades 6th-8th are provided for each student. P.E. shirts for high school students are
   purchased when the student takes the class.
5. P.E. lockers are available for storing clothes and valuables when a student is in P.E. Each student
   may supply his/her own lock. The school is not responsible for lost or stolen articles kept in an
   unlocked locker.

LUNCHROOM BEHAVIOR
1. Proper behavior and manners are to be exercised at all times in the lunchroom.
2. Students must follow the directions of the lunchroom supervisors and adults.
3. Students may not bring sodas in lunches from home.
4. Only family members may eat in the cafeteria with students, and only after proper signing in.

Per state health department guidelines, “outside food” (from restaurants) is not permitted in our
cafeteria. This applies to students and family visitors. If you wish to eat with your child (and we do
encourage this), please purchase a school lunch or bring a sack lunch from home.

CAFETERIA PAYMENT POLICY
The Merrol Hyde Magnet School cafeteria would like to encourage every student to participate in the
school lunch program, which provides traditional meals, as well as ala carte items. Our variety of
menu selections is designed to ensure we meet the nutritional needs of our students as established by
USDA guidelines. Free and reduced lunch forms are available from the cafeteria manager. Payments
to the cafeteria can be made by sending cash or checks on Monday of each week to the cafeteria
manager. Please put money in an envelope with student’s name, amount enclosed, and purpose of the
money. Make checks payable to MHMS Cafeteria. All checks must have the parent/guardian phone
number on the check. Elementary students can give their lunch money to their teachers, middle and
high school students can give their money directly to the cafeteria staff, or by prepayments using a
credit card online through WWW.MEALPAYPLUS.COM. If paying lunch fees with a credit card at
www.mealpayplus.com a small fee of 4.75% of the lunch payment will be charged. To create an
account, you must use your student’s 7-digit student ID number. The student ID number can be
found on a student’s report card or class schedule. The school encourages students to pay for their
meals by the week or by the month. To check your cafeteria account balance or if you have any
questions about the cafeteria, please call the cafeteria at 264-6547, or email the cafeteria manager
monte.wright@sumnerschools.org

ELECTRONIC DEVICES AND CELL PHONES
Please refer to the Sumner County Board policy CR. Elementary students should not bring their cell
phone or electronic device to school. A “smart watch” that acts as a watch is permissible (although
discouraged). When it is used as a communication device, it will be treated the same as a cell phone.
Middle and high school students will be given a copy of a cell phone policy at registration each year.
In general, cell phones are not allowed at MHMS. However, we do recognize there may be times
when cell phones and other devices have an educational purpose. In all cases, any cell phone use
must be under the direction and supervision of a teacher or principal. Students using their cell phones
for any other use will have the phone confiscated according to the Board policy. Stronger discipline may be levied against students who continue to violate this policy. Students who need to contact a parent will use the office phone. Parents who attempt to contact their student via the student’s cell phone put their student at risk to have their phone confiscated as a violation of the cell phone policy.

**STUDENT TELEPHONE USE**
Students will not be called to the phone unless it is an emergency. Students may not use the office telephone unless it is an emergency. Calling home for forgotten homework or to ask permission for a friend to come over is not an emergency.

**STUDENT USE OF TOBACCO**
Students shall not use or possess tobacco products in any form while on school property, attending or participating in a school-sponsored event, while on school buses to and from school, or on school buses to and from school-sponsored events. This includes e-cigarettes, vape pens, and any other form of tobacco or nicotine. Please refer to Sumner County Board policy JCBD.

**ALCOHOL AND DRUG USE BY THE STUDENTS**
Please refer to Sumner County Board policy JCBD. By law, any possession, consumption, distribution, or being under the influence of any drug or controlled substance or alcohol is considered a zero-tolerance offense, which incurs a 10-day suspension from school and referral to a disciplinary hearing authority. In addition, civil charges may be brought against students by local law enforcement.

**LEAVING THE BUILDING**
At no time should a student be outside the building without permission. A student should only be in the parking lot if he/she has been dismissed from school. Students will not be allowed to retrieve books, supplies, etc. from their vehicles during school hours, unless they have written permission from the office.

**BEHAVIORAL CONSEQUENCES**
Any administrator of a public school in this state is authorized to apply consequences for student behavior. For more information concerning behavior expectations and consequences, see Sumner County Board Policy JC and TCA 49-1309. MHMS uses a continuum of sound, research-based practices and interventions to correct and improve behaviors that impact student learning. Some of these progressive consequences include:

- Verbal and written warnings
- Conferences with students
- Conferences with parents
- Behavior contracts
- Detention (before or after school)
- Loss of privileges
- Loss of leadership positions in clubs or sports
- Loss of extracurricular activities and/or sports
- In-school suspension
- Out of school suspension
- Disciplinary hearing authority
- Return to the student’s zoned school
This is not an exhaustive list, as each teacher is given the authority to implement and enforce additional rules and consequences. At no time will corporal punishment be administered at MHMS.

ATTENDANCE AND REGISTRATION

For the complete definitions and consequences of the district attendance policy, refer to Sumner County Board of Education JB, and state laws TCA 49-6-3001, 3007, 3009.

All students who attend MHMS must live in Sumner County. Proof of residence may be requested at any time.

Students cannot learn and succeed if they are not in school. Therefore, attendance at school for the full day is an expectation. Since students at Merrol Hyde receive instruction at an accelerated pace, missing teacher instruction has a direct impact on learning and future growth. If a student has to miss school, the procedures below will be followed. (NOTE: high school students’ credits can be affected by poor attendance, in addition to any truancy consequences)

**For absences of a full or part day to be considered excused**, a written note from the parent, guardian or doctor must be provided. After an accumulation of five days excused absences, the parent/guardian must file more formal documentation with the principal to assure classification as an excused absence. For illness or hospitalization that exceeds ten (10) consecutive days homebound instruction should be applied for by the parent/guardian after the first five (5) days. **Unexcused absences** are absences which are not verified or which do not meet valid reasons for absence. All out of school suspensions are unexcused.

Because Sumner County Schools have a fall break, Christmas break, and spring break, family trips, mission trips, and vacations that occur during school will be **unexcused** unless there are extenuating circumstances. Prior permission for these trips must be approved by the Principal BEFORE the trip occurs. Teachers will not give any work in advance of a trip. All missed work will have to be made up after the student returns from the trip. Tests, projects, or other assignments that were announced prior to the trip will not be given extensions for completion.

Kindergarten students, 7th graders, and those enrolling in a Tennessee school for the first time must present the appropriate certificate of immunization and boosters. This is pursuant to TCA 49-6-5001 (a) and (b) and Board Policy JGCB.

Children enrolling in kindergarten must be five (5) years of age by August 15.

The Sumner County Board of Education requires a certified copy of the birth certificate at the time of registration in a public school. We require that this have a state identification number at the top. A school copy will be made for the child’s record.

**PROCEDURES TO FOLLOW AFTER AN ABSENCE**

Students returning to school after missing any part of a school day must check in with the main office for an admit slip. Students missing a full day of school must bring in an absence note to the office the first day they return to school.
**EARLY DISMISSAL**
If a student needs to leave school early due to illness or for a doctor’s appointment, a parent or other designated adult must come to the office to sign the child out. **Students will not be called out of class until a parent or other designated adult is here to pick them up.** You may NOT call ahead to have them waiting. Students are only dismissed through the main office. Any person taking your child from school must be listed on your child’s registration card. In most cases we will require a photo ID to dismiss a student.

Athletes must be present for half of the school day (three hours and sixteen minutes) in order to participate in an athletic competition that day. (NOTE: these times are for state attendance reporting only. High school students missing a 90-minute block are still considered “absent” towards exemptions. Any student that misses any instructional time will not be considered for perfect attendance.

If it becomes necessary to postpone school due to bad weather, or any other reason, the announcement will come from the Director of Schools. Merrol Hyde will communicate an alternate schedule for a delayed opening at registration each year. The announcement will be made using the district School Messenger phone/text/email system. Parents wishing to receive these alerts must make sure all contact information is correct in the school database. The announcements will also be made over the radio and television (often before we know it). Do not call the school to confirm this announcement.

**TARDINESS AND MAKE UP WORK**
Students may enter their classrooms at 7:45 A.M. Classes begin at 8:00 A.M. Students arriving after 8:00 must get a tardy slip in the office. Since it is very disruptive when students come into class late, we ask that families set clocks so there is plenty of time for a student to be prepared for class. Any K-12 student that accumulates 5 unexcused tardies to school will receive a detention. **After a student accumulates 10 tardies to school he/she will receive a detention for every tardy.**

Middle and high school students who are tardy 3 times to the same class are subject to class and/or school level consequences. A student who accumulates 3 unexcused tardies to class will result in an absence for that class. High School students missing any class time to rectify a dress code issue are considered “tardy.”

If a student has been absent **3 or more consecutive days,** a parent may contact the classroom teacher or call the school to request the student’s make up work.

**PERFECT ATTENDANCE**
Perfect attendance certificates and recognition require that a student be present **all day** every day of the school year. This includes no tardies or early dismissals. Students on a school-sponsored field trip are considered “present.” Students missing class because of dress code violation will be considered “tardy,” and forfeit perfect attendance consideration. “Perfect” means perfect.

**SKIPPING**
Students must be in their assigned areas at all times, and may not leave campus at any time during the day without permission from the office or principal. Students who leave without permission are considered “skipping” and are subject to both discipline and attendance consequences. High school
students who skip may have their parking pass and driving privileges revoked. Any senior who skips is no longer eligible for exemptions at the end of the term, even if they meet all other exemption requirements. This includes students in dual enrollment courses.

All teachers will send home 4 ½ week progress reports. Some may send home daily reports. Your child’s teacher will give you that information at the beginning of the school year. You may also check your student’s progress through Skyward (online grade program).

END OF COURSE AND END OF YEAR SCORE IMPACT ON STUDENT FINAL GRADE
High school students participating in courses with a state mandated end-of-course (EOC) examination will see their EOC exam result as 15% of their term grade. At the time of this publication, the state set the calculation for grades 6-8 at 15% provided that scores are returned to the district prior to the end of school. There is no calculation for grades 3-5.

ACADEMIC INTEGRITY AND HONESTY
Since attendance at an academic magnet school is a choice, students are choosing to respect the academic process as well as regard their personal integrity with academic honesty. Cheating (which can include but is not limited to: plagiarism, copying another's work, allowing another student to submit your work as their own, giving or receiving answers during a test or assignment, sharing secure testing information without explicit consent, taking secure materials out of the classroom) will not be tolerated. All suspected instances of academic dishonesty will be addressed individually, and the student and parents will be informed.

The Board policy (IHA) will be followed in all instances of suspected academic dishonesty. In addition, students may be subjected to the following progressive consequences:

If a teacher suspects a student of academic dishonesty, the teacher will consider all information and confer with administration. The teacher has the authority to require the student to complete an alternate assignment or assessment in a controlled environment in order to remediate the situation.

In middle school (grades 6-8), if the teacher has proof that a student cheated, 1) the parent will be notified, 2) the student will have the opportunity to complete an alternate assignment for half credit, and 3) the student will be referred to the administration for school level discipline. Upon the second offense, these steps will be followed with more severe discipline. The student will receive a zero on the assignment, and the student will be placed on academic probation for the remainder of the middle
school years. Upon a 3rd offense, the policy will be followed and the student may be returned to his/her zoned school.

In high school (grades 9-12), if the teacher has proof that a student cheated, 1) the parent will be notified, 2) the student will receive a zero on that assignment/test, and 3) the student will be referred to the administration for school level discipline. The student will also be placed on academic probation for three 9-week grading periods. Upon the second offense, these steps will be followed with more severe discipline, and the student may be asked to return to his/her zoned school.

**HIGH SCHOOL EXEMPTION POLICY—Seniors Only, Spring Term Only**

Examinations will be given in each class at the end of each term. Exams will count 20% of the term average. End of Course exams count 15% of the term grade.

To become exempt, seniors must have an A average and no more than 3 absences, or a B average and no more than 1 absence. Tardiness to class and early dismissals from class will accrue as an absence towards exemptions. This includes any class time missed to change a dress code violation. In some cases pre-approved, specialized college appointments (i.e. admission interviews, auditions, athletic tryouts) may not count toward exemption absences at the discretion of the administration. Students must have the A or B average before the honors or AP points are added. All students with a C, D, or F average will take exams. No student who has been suspended from school (OSS) or has served an in-school suspension (ISS) will be eligible for exemption.

All students will take the required End of Course exams.

**ACADEMIC PROBATION** The purpose of Academic Probation is to maintain the academic expectations of our school while offering intervention and improvement strategies for students. If a student fails a course for a formal marking period, the student will be placed on Academic Probation and required to complete remediation and/or tutoring as deemed necessary by the administration. If the student does not fulfill these requirements or fails a class the following marking period, the student may be required to return to their zoned school. A student must pass all classes in the following marking period to be removed from Academic Probation.

Students who participate in other school activities and sports may also be suspended, ineligible, or removed from leadership positions in that activity while on academic probation.

**PARENT CONFERENCES**

Sumner County provides one day for parent conferences in the fall semester. Please check our calendar for the specific date. Teachers sometimes call for extra conferences. If you would like to set up an additional conference, we welcome you to send a note, e-mail, or call the school office to arrange an appointment.

Parents are not allowed to drop by “for a few minutes before, during, or after the school day”. This is not only for the safety and security of students and staff, but also because the teachers have instructional and supervising duties. Visitors must always stop by the office first and receive their visitor’s badge before visiting the classroom. If parents have concerns or questions, they should be
addressed directly to the teachers or administration. Anonymous emails, calls or letters will not be addressed or receive a response.

**CARE OF SCHOOL PROPERTY**
School property is for the benefit of students, both present and future. Proper care of school property simply means a better education for you and others. Both students and parents are legally responsible for the abuse of school property. Parents will be asked to pay for damage to school property.

**LIBRARY MEDIA CENTERS**
The Merrol Hyde Magnet School Libraries support lifelong learning by promoting reading and literature appreciation, teaching information literacy skills, providing access to a wide variety of intellectual resources, and fostering critical thinking and independent learning. The goal of the libraries is to provide a comfortable, friendly atmosphere in which students can conduct research, study, and read for both academic learning and personal enrichment.

The libraries accept donations of books provided they are appropriate for student use and are in good condition. The librarian retains the right to accept or reject any donation based on the needs of the library. Monetary donations for books to be purchased in honor of someone or in memoriam are also accepted and a bookplate will be placed in the front of each book naming the honoree. Fines are ten cents per overdue book per day and there is also a ten cent per page charge for printing from library computers. Reference books may be checked out overnight by special arrangement. **No food or drink is allowed in our library media centers at any time, before or during school.**

**TEXTBOOKS**
Textbooks are issued by the school for the time needed. Any textbook or library book abused, damaged, or lost, must be paid for by the student to whom it was issued. Students who remove the bar codes from library books or textbooks will be charged $5.00 per removed or missing bar code.

**LOCKERS**
All students in grades six through twelve will be issued a locker. It is the student’s responsibility to provide a lock if the student wishes to lock the locker. All lockers are subject to search. No stickers or adhesives may be stuck to lockers. Food, liquids, and perfume may not be stored in lockers. The outside of all lockers must remain free of decoration. Lockers must be cleaned out by the last day of school. Students who leave trash or items in their locker may lose the right to have a locker the following year.

**LAPTOPS**
Many of our high school students use personal laptop computers at school. While this is helpful and appropriate for most students, students’ personal computers may not be used to play games, download music, or go to internet sites not related to school. All laptop use, whether using the internet or not, is to be in support of the students’ education at MHMS. Therefore, students have been advised that improper use of a personal laptop may result in a student not being able to bring that laptop to school or seizure and review of the laptop. There may also be additional disciplinary action based on the type of inappropriate activity. Improper use of the internet and computers is referenced in the Sumner County Board policy IFAF which students and parents sign each year.
FORGOTTEN ITEMS
The office will not deliver P.E. uniforms, homework, signed papers, band instruments, etc. to students in grades 6-12.

MONEY
Money should be sent to school in an envelope with the child’s name, teacher’s name, and purpose of the money written on the envelope (K-5 students). All money should be given to the teacher or turned in to the school office as soon as possible. Please send in correct change if paying in cash, the school office is not equipped to make change. The school will not be held responsible for lost or stolen money.

LOST AND FOUND
All lost and found items are to be turned in or claimed through the school office. For the prompt return of misplaced items, we ask that you put your child’s name on textbooks, folders, books, bags, jackets, lunch boxes, and any correspondence. Periodically all unclaimed lost and found items are given to charity.

HEALTH AND SAFETY
If a student is injured outside or in the classroom, emergency first aid will be administered. We are not to remove splinters or treat infections, sore throats, and stomachaches. We cannot remove ticks. Superficial wounds will be washed with soap and water and covered with Band-Aids when necessary. Parents must turn in all medications to the school nurse in the original packaging, with the correct medication form filled out by the parent; prescription medicine must be accompanied by doctors’ orders. The school does not provide any medications for student use.

MEDICATION
According to board policy, ALL prescription and non-prescription medication will be kept in the office for dispensing purposes. Non-prescription medication will not be given to a child unless the parent fills out the form for non-prescription medications and provides the medicine in the original container. Prescription medication that must be taken at school can only be given after the parent fills out and signs the prescription form and physician’s signature is obtained. The container must have a pharmacy label. If a child is to receive a morning dose of medication, you must give that dose before school. Please do not call to ask us to give your child his/her morning medicine. The school will not administer antibiotics that are to be given 3 times a day. These are to be given before school, after school, and at bedtime.

LICE
Since the issue of head lice surfaces occasionally, we ask that parents routinely check your child’s head, especially if you see the child scratching frequently. If you or the school determines that your child has lice, you may be called to come pick your child up from school. Students are allowed 2 “verified” absence days for lice. In addition, parents need to provide ‘proof’ that their student has been treated. The school nurse, Ms. Foster, can assist parents with options to verify treatment. MHMS complies with the Office of Civil Rights and will not discriminate against any student with a temporary health condition.

CRISIS AND EMERGENCY RESPONSE PLAN
Students are the number one preventative measure to maintaining a safe school campus. Students should report any suspicious activity or knowledge of a potential safety breach to a trusted adult. The
student’s identity will be kept anonymous if at all possible. NOTE: Students are able to initiate a Lock Down by simply announcing the phrase “Lock Down!” Therefore, MHMS will not tolerate any joking or casual references to our safety procedures. Merrol Hyde Magnet School has a crisis and emergency response plan on file in the office and in every classroom in the case of an emergency. In order that student safety is primary for any emergency, MHMS will conduct periodic evacuation, severe weather, and lock down procedures. Parents and students are strongly encouraged to share feedback and suggestions on response plans so that the school can maintain the safest school environment possible.

FIRE ALARMS
Fire alarms are placed in the school building for the safety of students and are not under any circumstances to be falsely pulled. Any student guilty of falsely pulling any fire alarm will be automatically suspended from school and reported to the State Fire Marshall’s Office.

OTHER INFORMATION

PARTIES
School parties for K-5 students will be determined at the beginning of the school year. The classroom teachers will provide parents with this information. Students who invite classmates to home parties may not pass out invitations at school unless ALL classmates are invited. Invitations that do not include all class members must be mailed.

FIELD TRIPS
When field trips are taken, parents may be asked to attend to help chaperone students. If students ride the bus to the field trip destination, they must ride the bus back to the school. Students will not be dismissed to parents until everyone has returned to MHMS campus. (This clause does not apply to athletes at an away contest.) Poor student behavior and poor grades (D or F) may prohibit a student from participating in a field trip. Poor, disruptive, or destructive behavior (to be determined by the teacher) during a trip may result in parents being called to come get the student from the trip. Inappropriate behavior on a trip may also result in consequences of not attending the next trip. Field trip costs for transportation and pre-paid events are not refundable. Students who have been approved for free/reduced lunch are not required to pay for field trips.

DRIVER LICENSE CERTIFICATION PROCEDURES
Driver license and /or instructor permits for the operation of a motor vehicle for any person under the age of eighteen will be denied unless the student has written certification from school officials. The certification may be obtained from the attendance office during normal school hours by students who meet the compulsory school attendance policy and meet academic guidelines. The certification must be given to the Department of Safety employee before a student can take the driver permit exam. A certificate of withdrawal will be sent to the Department of safety whenever a student has excessive unexcused absences. Students needing a driver license form must give 3 days’ notice of the request. If a student needs this form during the summer months, it must be requested by the last day of school.

BIRTHDAYS and SPECIAL OCCASIONS
Parents may send flowers or balloons on a student’s birthday or other special occasion. They will be held in the office until the end of the school day. Deliveries will not be made to the classrooms in the middle of the day.
DISCRIMINATION, HARASSMENT, BULLYING, AND RETALIATION

It is the Sumner County School Board policy (CD) that all Students and Employees shall not be subjected to unlawful discrimination, harassment, bullying, or retaliation. It is committed to safeguarding the right of all Students and Employees within the school system, on school campuses, at school events, and on school buses to learn and work in an environment that is free from all forms of discrimination, sexual harassment, harassment, and bullying.

Any student who believes he or she has been subjected to harassment on the basis of sex should report the harassment to their principal or the district’s Safe Schools, Healthy Students Coordinator. The school and/or the district will take immediate action to eliminate the harassment, prevent its recurrence, and address its effects. Students or employees found to have engaged in acts of harassment on the basis of sex will be promptly disciplined and such discipline may include, if circumstances warrant, suspension or expulsion for students or suspension or termination for employees. The Sumner County School System encourages students, parents, and school staff to work together to prevent harassment on the basis of sex.

DISCRIMINATION DEFINED AND PROHIBITED
